

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
McNear Elementary School	49708546051973	January 28, 2023	May 23, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Additional Targeted Support and Improvement

The purpose of this plan is to address the needs of students identified by ESSA in the Additional

Targeted support and Improvement (ATSI) program.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Greatest Needs

McNear Elementary is in the low performance category in the area of English Language Arts. In English Language Arts, our students were recorded as 9.4 points below standard representing a continued score below standard. English Language Arts is addressed in Goals 1, 2 and 4--with the district adopted curriculum, Reading Specialist for intervention, Bilingual Resource Teacher for English Learners, English Language Development training, extended library hours, office hours for struggling students and curriculum for classroom teachers, and assessment monitoring.

McNear Elementary scored 10.8 points below standard in math, representing a continued score below standard for multiple years. Upon reviewing local indicators we will also focus on ELA, mathematics, student motivation, engagement and student wellbeing in our SPSA. Math instruction and supports are addressed with four action steps in Goal 2. These steps include using STAR benchmark reports to prioritize students for intervention and collaboration meetings strategizing and planning these interventions. Homework Club after school will help support our lowest performing students; students will all have access to and be regularly assigned differentiation in class. Instructional strategies and best practices staff development will also be provided for continuous improvement.

Goal 3 specifically targets the area of social and emotional development, well being and engagement. Countywide data, as well as our Youth Truth Survey results show that students are feeling disengaged and are lacking a sense of belonging as we continue to emerge from distance learning. We are utilizing district and school Youth Truth Data to gather address these needs through four action steps that include increasing social opportunities, continuing a student advisor position, social emotional instruction by classroom teachers using Toolbox, Responsive Classroom, and PBIS.

Performance Gaps

Performance gaps appear in two areas at McNear Elementary, absenteeism and suspension rates. These two gaps are addressed in goals 3 and 4. Hispanic and socioeconomically disadvantaged students land in the orange area for absenteeism while all students are in the green. Students all have access to second chance breakfast and free lunches each day. We offer Homework Club, additional teacher support after school, extra library hours and weekly connections with our BRT so that families feel connected to our community. Additionally, if absent, our bilingual clerk or attendance clerk checks in right away and student study team meetings are held to set up counseling, academic or other supports that might be helpful.

Suspension rates at McNear are historically low with 1-6 days being the range for the entire year which makes for a small sample size. In the year reported on, English learners and hispanic students landed in the orange and yellow respectively while the students as a whole were in the blue. In the 2022/23 school year we had a relatively high number of suspensions, 9 days representing 5 students. 4 students identify as white, 1 student is African American. We will continue to be aware of biases in this area and are focusing on PBIS that may continue to shrink the need for suspensions.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

McNear Elementary School has conducted a Youth Truth Survey to staff, student and community to gather input during the school year. The Youth Truth survey gathered data on student connectedness and inform actions in support of increased student engagement, relationships, respectful classrooms, school culture and sense of belonging. The goal of our survey is to dig deeper into staff/family and students feelings on equity, sense of belonging, staff cohesiveness and trust with goals of building a more equitable school community based on relationship development and restorative practices. Survey data illustrates a need to further address problem solving strategies, social and emotional health of staff and students and the development and deepening of a shared school vision.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

Classroom observations occur weekly and have included input from district curriculum directors. All classrooms are visited on an ongoing basis. Observations provide evidence of teacher collaboration, planning and structured activities based around adopted curriculum. Teachers are utilizing tools in support of student to student discourse and collaboration for students to share responses, elaborate on understandings and participate actively in the learning community. Additional work is needed to increase the cognitive demand, depth and complexity and overall rigor on tasks aligned to standards, provides formative feedback and increases active engagement. Motivating students with voice and choice in assignments, culturally relevant texts and purposeful tasks is another area for growth.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

McNear staff use state and local assessments to modify instruction, identify needs and improve student achievement. The assessments include state, district and site based measures. State: ELPAC and CAASPP, District: STAR Reading, Math, Early Literacy and Core Phonics Screener, Site: Everyday Math Unit assessments, writing samples, DRA reading passages, Lexia and Accelerated Reader quizzes.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

Teachers collaborate in biweekly grade alike groups as well as monthly in district wide grade level teams to discuss, plan and analyze curriculum-embedded assessments. The data collected is used to monitor learning trends, identify students of concern, plan reteaching and inform intervention.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

We meet all the requirements for highly qualified staff (ESEA).

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers have access to district/state adopted texts, coaching support and professional development in core subjects by onsite, district and local professional experts. More professional development is needed in the areas of math discourse and the eight common core math practices as well as embedding ELD instruction into each day. These are areas addressed in our site plan.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

The distance learning and district staff development committees work to align staff development to content standards, responding to data on student performance and identified professional needs. Our PCS Leadership team is also a driving force in prioritizing and planning professional work, this year utilizing a focus on developing an equity lens while seeking higher inclusion within our school. This is an active and ongoing process.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

Teachers have support from our district curriculum director, our principal as instructional coach, our reading specialist, our bilingual resource teacher and special day class teacher. These experts provide instructional assistance and coaching in intervention, assessment, integrated ELD, differentiation, social/emotional learning strategies and developing culturally relevant engaging instruction. New teachers are supported with the County's teacher induction program. All teachers participate in ongoing professional development at the beginning of the school year and throughout the year with quarterly trainings. Teachers and staff focus on learning differentiated for the school site during staff site meetings and district meetings.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers have biweekly time allotted for grade level collaboration and professional learning as well as monthly district collaboration.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

All students are provided with district adopted curriculum, instruction and materials using state approved adoptions which are aligned to grade level Common Core State Standards.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

All teachers provide the recommended instructional minutes for all all students along with accompanying weekly engagement documentation.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

All classrooms follow the district's distance learning schedule with an emphasis on key standards in math and language arts. Office hours and structured interventions with our classroom teachers, resource specialist and bilingual resource teacher occur as needed throughout the day.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

Adopted standards-based instructional materials along with related technology is provided to all staff and students.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

All teachers are expected to use state approved adopted materials, standards aligned materials including intervention materials.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Intervention is provided to students as needed, monitored through Star Reading, Star Math and the CORE Phonics Screener in a manner that supports progress and access to grade level standards. Students have access to Accelerated Reader and Lexia.

Evidence-based educational practices to raise student achievement

Common evidenced-based instructional strategies include differentiated instruction, GLAD strategies, close reading, academic vocabulary instruction, Thinking Maps, Depth and Complexity Prompts and Write From the Beginning. In addition, our staff utilizes Math Talks to support Math Achievement. PBIS strategies for behavior support and intervention are common school-wide.

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Community connections and resources include Mentor Me, ELAC, School Site Council, PTA, Point Blue, Friends of the Petaluma River, Creative Sonoma, STRAW, and the McNear Arts and Sciences Center (MASC). These community partnerships provide ongoing meetings, enrichment opportunities, family workshops, school materials and more.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Not applicable.

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Services provided by categorical funds include a guidance counselor, reading specialist, bilingual resource specialist, intervention materials, along with collaborative time for teacher planning and professional learning.

Fiscal support (EPC)

Our site receives funds to support our needs. Additional partnerships with our parent organizations and the community compliment the District support.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The site council, ELAC and staff were consulted as part of the planning process as listed in the timeline below:

October 13, 2022 Site Council met to discuss new goals, data collection/surveys and revisions to school mission and vision

October 19, 2022: Principal, site council teacher members and staff discuss potential SPSA goals

November 10, 2022 Draft plan sent to staff and site council for feedback

December 8, 2022 ELAC met and discussed goals
December 8, 2022 : Site council met to review SPSA action plan
January 12, 2023 ELAC met to review SPSA action plan
January 25, 2023 Edits were reviewed and approved
May 17, 2023 ELAC Final edits were reviewed and approved
May 18, 2023 Final Edits were reviewed and approved

Resource Inequities

Briefly identify and describe any resource inequities identified as a result of the required needs assessment, as applicable.

Although our School Plan for Student Achievement will outline targeted assistance and support services for students identified as English Learners, a review of the school and District budgets, staffing, and programming do not reveal inequities in resources for this group.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment by Subgroup						
Student Group	Percent of Enrollment			Number of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
American Indian	0.3%	0.31%	0.64%	1	1	2
African American	0.9%	%	0%	3	0	0
Asian	0.6%	1.24%	2.57%	2	4	8
Filipino	1.2%	1.24%	1.29%	4	4	4
Hispanic/Latino	17.8%	19.81%	24.12%	61	64	75
Pacific Islander	%	0.31%	0.32%		1	1
White	74.9%	72.45%	64.31%	256	234	200
Multiple/No Response	4.4%	4.64%	6.75%	15	15	21
Total Enrollment				342	323	311

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	58	59	66
Grade 1	42	30	31
Grade 2	41	45	32
Grade3	47	48	45
Grade 4	33	48	51
Grade 5	63	32	53
Grade 6	58	61	33
Total Enrollment	342	323	311

Conclusions based on this data:

1. Enrollment is declining.
2. Hispanic subgroup is slightly increasing.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	29	35	36	8.5%	10.8%	11.6%
Fluent English Proficient (FEP)	15	9	16	4.4%	2.8%	5.1%
Reclassified Fluent English Proficient (RFEP)	9			31.0%		

Conclusions based on this data:

1. The percent of students who are English Learners increasing at McNear Elementary.
2. There is a lot of variance in our reclassification rates from year to year and our percentage of English learners reclassified has not exceeded 10% in any single year.

School and Student Performance Data

CAASPP Results English Language Arts/Literacy (All Students)

Overall Participation for All Students

Grade 4		6.12			83.67			10.20	
Grade 5		12.90			70.97			16.13	
Grade 6		20.00			68.33			11.67	
All Grades		14.36			70.74			14.89	

Research/Inquiry Investigating, analyzing, and presenting information									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	20-21	21-22	22-23	20-21	21-22	22-23	20-21	21-22	22-23
Grade 3		20.83			64.58			14.58	
Grade 4		8.16			67.35			24.49	
Grade 5		9.68			58.06			32.26	
Grade 6		16.67			65.00			18.33	
All Grades		14.36			64.36			21.28	

Conclusions based on this data:

1. Listening is the strongest area for McNear students in the CAASPP Literacy Assessments.
2. Writing is the weakest area of performance for McNear students in the CAASPP Literacy Assessments. This has been true for multiple years.
3. In overall testing results, 3rd grade dropped from 22.58 to 18.37 in 4th grade, showing a slight drop in 'standard met.' Other cadres of students have seen growth and improvement during those same years. 3rd graders had the lowest scores in listening, with 22.92% scoring 'below standard'. While a different cadre of students, in 18/19, only 11.29% were below standard.

Grade 5		3.23			58.06			38.71	
Grade 6		27.59			50.00			22.41	
All Grades		22.58			54.84			22.58	

Conclusions based on this data:

1. An average of 53.22% of all students perform at "meets standards level" or "exceeds standards level".
2. There is a decline in the number of students scoring above standard in Concepts and Procedures. In 18/19 34.23% of students scored above standard and in 21/22 it dropped to 27.96%. However, there was a significant reduction in % below standard, from 35.59% in 18/19 to 24.19% in 21/22.
3. School wide, problem solving and modeling/data analysis performance is the weakest with 27.42% of students scoring below standard.

Conclusions based on this data:

1. The number of students who are designated EL is increasing.
2. Our EL students need more support in reading and writing.
3. The percentage of students with overall scores at Level 1 increased from 17.65% in 18/19 to 21.88% in 21/22.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
323	24.5%	10.8%	.3%
Total Number of Students enrolled in McNear Elementary School.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	35	10.8%
Foster Youth	1	.3%
Homeless	0	0
Socioeconomically Disadvantaged	79	24.5%
Students with Disabilities	50	15.5%

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American		
American Indian	1	.3%
Asian	4	1.2%
Filipino	4	1.2%
Hispanic	64	19.8%
Two or More Races	15	4.6%
Pacific Islander	1	.3%
White	234	72.4%

Conclusions based on this data:

1. Socioeconomically disadvantaged students are a significant subgroup.
2. English learners are a growing population at McNear.
3. Hispanic students are a significant subgroup.

2. Academic performance in Math was recorded as 10.8 points below standard.
3. Suspension rates (2.7%) is not an immediate concern but chronic absenteeism is a concern, as we are in the "high" area.

School and Student Performance Data

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

Very Low
Lowest Performance
Low
Medium
High
Very High
Highest Performance

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance for All Students/Student Group								
<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="background-color: #cccccc;">All Students</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">Low 9.4 points below standard</td> </tr> </tbody> </table>	All Students	Low 9.4 points below standard	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="background-color: #cccccc;">English Learners</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">very low 131.3 points below standard</td> </tr> </tbody> </table>	English Learners	very low 131.3 points below standard	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="background-color: #cccccc;">Foster Youth</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;"> </td> </tr> </tbody> </table>	Foster Youth

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
no performance level	no performance level	no performance level	no performance level
Hispanic	Two or More Races	Pacific Islander	White
Very Low	no performance level	no performance level	Very High

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
131.3 points below standard	less than 11 students	9.1 points above standard
15 students	9 students	158 students

Conclusions based on this data:

- English language learners performed 131.3 points below standard.
- Hispanic students performed very low, 76.2 points below standard.
- Students with disabilities performed 93.2 points below standard.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

African American	American Indian	Asian	Filipino
no performance results 1	no performance results 0	no performance results 1	no performance results 2
Hispanic	Two or More Races	Pacific Islander	White
low 80.7 points below standard 38	no performance results 2	no performance results 1	high 9.4 points above standard 138

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
143.7 points below standard 15 Students	less than 11 students 9 Students	8.9 points above standard 156 students

Conclusions based on this data:

- English language learners scored 133.1 points below standard while white students scored 8.9% above standard.
- Socioeconomically disadvantaged students scored 55.9 points below standard.
- Students with disabilities performance scored 100.8 points below standard.

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

English Learner Progress
No Performance Level
65% making progress towards English language proficiency
Number of EL Students: 20
Performance Level: no performance level

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e., levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
10%	25%	0%	65%

Conclusions based on this data:

1. We need to increase targeted support for our level 1 and 3 students.
2. 65% of our EL students are making progress towards English language proficiency (an increase from 52.6% last year)

School and Student Performance Data

Academic Performance College/Career Report

College/Career data provides information on whether high school students are prepared for success after graduation based on measures like graduation rate, performance on state tests, and college credit courses. College/Career data was not reported in 2022.

Conclusions based on this data:

- 1.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

African American	American Indian	Asian	Filipino
no performance level	no performance level 1	no performance data 4	no performance level 4
Hispanic	Two or More Races	Pacific Islander	White
very low 0% suspended at least one day 73	no performance level 0% suspended at least 1 or more days 15	no performance level 1	3.4% 3.4% suspended at least 1 day 238

Conclusions based on this data:

1. Suspension rates are the highest for socioeconomically disadvantaged, 6.7%.
2. Students with disabilities are high, 4.3% while white students 3.4%.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Goal 1: Students need access to 21st Century learning environments and tools.

Goal 1

Broad Goal: All McNear School students will access updated and relevant learning environments and tools.

Identified Need

- 1.Common Core State Standards (CCSS)-aligned resources need to be identified and purchased, especially for social studies (new adoption in progress for next year)
- 2.Need for professional development for teachers on best practices with technology, differentiation, 21st-Century learning environments, and EL instruction
- 3.Technology needs to be updated and/or maintained to support 21st century learning.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Textbook and instructional materials purchases - Williams Act report	100% of students have access to materials	100% of students have access to materials
Professional development plans for each teacher	100% of teachers establish goal and pursue at least 1 related opportunity	100% of teachers establish goal and pursue at least 1 related opportunity
Inventory of access to technology for each student and each classroom	100% students have access to technology tools and 100% of general education classroom teachers have instructional presentation technology	100% students have access to technology tools and 100% of general education classroom teachers have instructional presentation technology

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students

Strategy/Activity

1a.Teachers consult principal and purchase CCSS aligned books, texts, and supplies, focusing on mathematics, language arts, social studies, science, and English Learner support .

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
10000	Unrestricted
2000	Parcel Tax

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

1b. Books and site improvements to our library, including an update to our collection to include a focus on inclusion.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
15,000	Foundation
4,000	Unrestricted

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

1c. Technology updates. Principal monitors classroom software and hardware needs and replaces as needed to maintain student access in special education and general education classrooms.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
5000	Foundation
2400	Parcel Tax
4000	LCFF - Supplemental

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

TK Students

Strategy/Activity

1d. Employ instructional assistant to support learning in transitional kindergarten program for 6 hours per day.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

8200

Source(s)

Unrestricted

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Students

Strategy/Activity

1.e The school office will support student success in the classroom.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Apple TVs, projector for multi, ample classroom supplies for students, TK aide in classroom, new library books, gardening classes will support all students in their learning.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

no differences

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

Our two areas of focus this cycle are the 're-building' of our library with new inclusive and diverse books to replace our current antiquated books. The Environmental Literacy Program began this year and is taking root. Our PTA is helping us support a credentialed teacher to implement environmental hands-on science lessons for all TK-6 grade students.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Goal 2: All students will graduate from PCS college and career ready.

Goal 2

Focus Goal: By June 30, 2022, 70% of students will meet the 50th percentile on the STAR Math Assessment from the Fall baseline of -----%.

Identified Need

Currently -----% of students are scoring at least in the 50th percentile on the STAR Math Assessment and we want to increase this to 70% or more. (change %)

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
STAR Math Assessment	Fall baseline: 63.8% of students scoring 50 percentile or better	Spring outcome: 70% of students scoring 50 percentile or better
CAASPP Math	2018-2019 50.46% of students scored near or below proficient	2020-2021 45% of all students will score near or below proficient

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All

Strategy/Activity

2a. Teachers will use benchmark reports in site based grade level collaboration meetings each trimester to identify areas of need, determine strategies and make plans for students requiring intervention. Teachers will utilize Math Annex Protocols to look at scores to determine student progress.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

switched to youth truth survey from localized school survey and keeping kids in school

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

LEA/LCAP Goal

Goal 4: All students will be engaged and supported to meet the rigor required to be a 21st century citizen.

Goal 4

Focus Goal: By June 30, 2021, 58% of English Learner students will progress one ELPI level or maintain ELPI level 4 from a baseline of 52.6% as measured by the ELPAC.

Identified Need

Students need to reach a level 4 for redesignation consideration. English learners are disproportionately identified for special education services. Teachers are not providing sufficient designated ELD instruction.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
ELPAC	52.6% as measured by the ELPAC	58% of English Learner students will progress one ELPI level or maintain ELPI level 4 (an increase of 2 students)

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Budget Summary

Complete the table below. Schools may include additional information. Adjust the table as needed. The Budget Summary is required for schools funded through the ConApp, and/or that receive funds from the LEA for Comprehensive Support and Improvement (CSI).

Budget Summary

Description	Amount
Total Funds Provided to the School Through the Consolidated Application	\$
Total Federal Funds Provided to the School from the LEA for CSI	\$
Total Funds Budgeted for Strategies to Meet the Goals in the SPSA	\$156,407.00

Other Federal, State, and Local Funds

List the additional Federal programs that the school is including in the schoolwide program. Adjust the table as needed. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

Federal Programs	Allocation (\$)
------------------	-----------------

Subtotal of additional federal funds included for this school: \$

List the State and local programs that the school is including in the schoolwide program. Duplicate the table as needed.

State or Local Programs	Allocation (\$)
Foundation	\$20,000.00
LCFF - Supplemental	\$5,950.00
Parcel Tax	\$12,339.00
Parent Teacher Association/Parent Faculty Club (PTA/PFC)	\$27,200.00
Parent-Teacher Association (PTA)	\$45,500.00
Supplemental	\$5,000.00
Unrestricted	\$40,418.00

Subtotal of state or local funds included for this school: \$156,407.00

Total of federal, state, and/or local funds for this school: \$156,407.00

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 3 Classroom Teachers
- 2 Other School Staff
- 3 Parent or Community Members

Name of Members	Role
Melissa Becker	Principal
Debra DeMartini	Parent or Community Member
Erin Wilson	Classroom Teacher
Katie Aja	Classroom Teacher
Nanci Ryan	Other School Staff
Loretta Krusmaggi	Other School Staff
Patrick Dunne	Parent or Community Member
Stephanie Tuu	Parent or Community Member
Sarah Sharp	Classroom Teacher
Kylee Cecchini Hayes	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature

Committee or Advisory Group Name

English Learner Advisory Committee

The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 1.25.2023.

Attested:

Principal, Melissa Becker on 1.25.2023

SSC Chairperson, Erin Wilson on 1.25.2023

Instructions

The School Plan for Student Achievement (SPSA) is a strategic plan that maximizes the resources available to the school while minimizing duplication of effort with the ultimate goal of increasing student achievement. SPSA development should be aligned with and inform the Local Control and Accountability Plan process.

The SPSA consolidates all school-level planning efforts into one plan for programs funded through the consolidated application (ConApp), and for federal school improvement programs, including schoolwide programs, Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), and Additional Targeted Support and Improvement (ATSI), pursuant to California Education Code (EC) Section 64001 and the Elementary and Secondary Education Act as amended by the Every Student Succeeds Act (ESSA). This template is designed to meet schoolwide program planning requirements. It also notes how to meet CSI, TSI, or ATSI requirements, as applicable.

California's ESSA State Plan supports the state's approach to improving student group performance through the utilization of federal resources. Schools use the SPSA to document their approach to maximizing the impact of federal investments in support of underserved students. The implementation of ESSA in California presents an opportunity for schools to innovate with their federally-funded programs and align them with the priority goals of the school and the LEA that are being realized under the state's Local Control Funding Formula (LCFF).

The LCFF provides schools and LEAs flexibility to design programs and provide services that meet the needs of students in order to achieve readiness for college, career, and lifelong learning. The SPSA planning process supports continuous cycles of action, reflection, and improvement. Consistent with EC 65001, the Schoolsite Council (SSC) is required to develop and annually review the SPSA, establish an annual budget, and make modifications to the plan that reflect changing needs and priorities, as applicable.

For questions related to specific sections of the template, please see instructions below:

Instructions: Linked Table of Contents

The SPSA template meets the requirements of schoolwide planning (SWP). Each section also contains a notation of how to meet CSI, TSI, or ATSI requirements.

[Educational Partner Involvement](#)

[Goals, Strategies, & Proposed Expenditures](#)

[Planned Strategies/Activities](#)

[Annual Review and Update](#)

[Budget Summary](#)

[Appendix A: Plan Requirements for Title I Schoolwide Programs](#)

[Appendix B: Plan Requirements for Schools to Meet Federal School Improvement Planning Requirements](#)

[Appendix C: Select State and Federal Programs](#)

For additional questions or technical assistance related to LEA and school planning, please contact the Local Agency Systems Support Office, at LCFF@cde.ca.gov.

For programmatic or policy questions regarding Title I schoolwide planning, please contact the local educational agency, or the CDE's Title I Policy and Program Guidance Office at TITLEI@cde.ca.gov.

For questions or technical assistance related to meeting federal school improvement planning requirements (for CSI, TSI, and ATSI), please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Purpose and Description

Schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI) must respond to the following prompts. A school that has not been identified for CSI, TSI, or ATSI may delete the Purpose and Description prompts.

Purpose

Briefly describe the purpose of this plan by selecting from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Description

Briefly describe the school's plan for effectively meeting ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

Educational Partner Involvement

Meaningful involvement of parents, students, and other stakeholders is critical to the development of the SPSA and the budget process. Schools must share the SPSA with school site-level advisory groups, as applicable (e.g., English Learner Advisory committee, student advisory groups, tribes and tribal organizations present in the community, as appropriate, etc.) and seek input from these advisory groups in the development of the SPSA.

The Stakeholder Engagement process is an ongoing, annual process. Describe the process used to involve advisory committees, parents, students, school faculty and staff, and the community in the development of the SPSA and the annual review and update.

[This section meets the requirements for TSI and ATSI.]

[When completing this section for CSI, the LEA shall partner with the school in the development and implementation of this plan.]

Resource Inequities

Schools eligible for CSI or ATSI must identify resource inequities, which may include a review of LEA- and school-level budgeting as a part of the required needs assessment. Identified resource inequities must be addressed through implementation of the CSI or ATSI plan. Briefly identify and describe any resource inequities identified as a result of the required needs assessment and summarize how the identified resource inequities are addressed in the SPSA.

[This section meets the requirements for CSI and ATSI. If the school is not identified for CSI or ATSI this section is not applicable and may be deleted.]

Goals, Strategies, Expenditures, & Annual Review

In this section a school provides a description of the annual goals to be achieved by the school. This section also includes descriptions of the specific planned strategies/activities a school will take to meet the identified goals, and a description of the expenditures required to implement the specific strategies and activities.

Goal

State the goal. A goal is a broad statement that describes the desired result to which all strategies/activities are directed. A goal answers the question: What is the school seeking to achieve?

It can be helpful to use a framework for writing goals such as the S.M.A.R.T. approach. A S.M.A.R.T. goal is one that is **S**pecific, **M**easurable, **A**chievable, **R**ealistic, and **T**ime-bound. A level of specificity is needed in order to measure performance relative to the goal as well as to assess whether it is reasonably achievable. Including time constraints, such as milestone dates, ensures a realistic approach that supports student success.

A school may number the goals using the “Goal #” for ease of reference.

[When completing this section for CSI, TSI, and ATSI, improvement goals shall align to the goals, actions, and services in the LEA LCAP.]

Identified Need

Describe the basis for establishing the goal. The goal should be based upon an analysis of verifiable state data, including local and state indicator data from the California School Dashboard (Dashboard) and data from the School Accountability Report Card, including local data voluntarily collected by districts to measure pupil achievement.

[Completing this section fully addresses all relevant federal planning requirements]

Annual Measurable Outcomes

Identify the metric(s) and/or state indicator(s) that the school will use as a means of evaluating progress toward accomplishing the goal. A school may identify metrics for specific student groups. Include in the baseline column the most recent data associated with the metric or indicator available at the time of adoption of the SPSA. The most recent data associated with a metric or indicator includes data reported in the annual update of the SPSA. In the subsequent Expected Outcome column, identify the progress the school intends to make in the coming year.

[When completing this section for CSI the school must include school-level metrics related to the metrics that led to the school’s identification.]

[When completing this section for TSI/ATSI the school must include metrics related to the specific student group(s) that led to the school’s identification.]

Strategies/Activities

Describe the strategies and activities being provided to meet the described goal. A school may number the strategy/activity using the “Strategy/Activity #” for ease of reference.

Planned strategies/activities address the findings of the needs assessment consistent with state priorities and resource inequities, which may have been identified through a review of the local educational agency’s budgeting, its local control and accountability plan, and school-level budgeting, if applicable.

[When completing this section for CSI, TSI, and ATSI, this plan shall include evidence-based interventions and align to the goals, actions, and services in the LEA LCAP.]

[When completing this section for CSI and ATSI, this plan shall address through implementation, identified resource inequities, which may have been identified through a review of LEA- and school-level budgeting.]

Students to be Served by this Strategy/Activity

Indicate in this box which students will benefit from the strategies/activities by indicating “All Students” or listing one or more specific student group(s) to be served.

[This section meets the requirements for CSI.]

[When completing this section for TSI and ATSI, at a minimum, the student groups to be served shall include the student groups that are consistently underperforming, for which the school received the TSI or ATSI designation. For TSI, a school may focus on all students or the student group(s) that led to identification based on the evidence-based interventions selected.]

Proposed Expenditures for this Strategy/Activity

For each strategy/activity, list the amount(s) and funding source(s) for the proposed expenditures for the school year to implement these strategies/activities. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal, identify the Title and Part, as applicable), Other State, and/or Local.

Proposed expenditures that are included more than once in a SPSA should be indicated as a duplicated expenditure and include a reference to the goal and strategy/activity where the expenditure first appears in the SPSA. Pursuant to Education Code, Section 64001(g)(3)(C), proposed expenditures, based on the projected resource allocation from the governing board or governing body of the LEA, to address the findings of the needs assessment consistent with the state priorities including identifying resource inequities which may include a review of the LEA’s budgeting, its LCAP, and school-level budgeting, if applicable.

[This section meets the requirements for CSI, TSI, and ATSI.]

[NOTE: Federal funds for CSI shall not be used in schools identified for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Annual Review

In the following Analysis prompts, identify any material differences between what was planned and what actually occurred as well as significant changes in strategies/activities and/ or expenditures from the prior year. This annual review and analysis should be the basis for decision-making and updates to the plan.

Analysis

Using actual outcome data, including state indicator data from the Dashboard, analyze whether the planned strategies/activities were effective in achieving the goal. Respond to the prompts as instructed. Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal the Annual Review section is not required and this section may be deleted.

- Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.
- Briefly describe any major differences between either/or the intended implementation or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.
- Describe any changes that will be made to the goal, expected annual measurable outcomes, metrics/indicators, or strategies/activities to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard, as applicable. Identify where those changes can be found in the SPSA.

[When completing this section for CSI, TSI, or ATSI, any changes made to the goals, annual measurable outcomes, metrics/indicators, or strategies/activities, shall meet the CSI, TSI, or ATSI planning requirements. CSI, TSI, and ATSI planning requirements are listed under each section of the Instructions. For example, as a result of the Annual Review and Update, if changes are made to a goal(s), see the Goal section for CSI, TSI, and ATSI planning requirements.]

Budget Summary

In this section a school provides a brief summary of the funding allocated to the school through the ConApp and/or other funding sources as well as the total amount of funds for proposed expenditures described in the SPSA. The Budget Summary is required for schools funded through the ConApp and that receive federal funds for CSI. If the school is not operating a Title I schoolwide program this section is not applicable and may be deleted.

From its total allocation for CSI, the LEA may distribute funds across its schools that meet the criteria for CSI to support implementation of this plan. In addition, the LEA may retain a portion of its total allocation to support LEA-level expenditures that are directly related to serving schools eligible for CSI.

Budget Summary

A school receiving funds allocated through the ConApp should complete the Budget Summary as follows:

- Total Funds Provided to the School Through the Consolidated Application: This amount is the total amount of funding provided to the school through the ConApp for the school year. The school year means the fiscal year for which a SPSA is adopted or updated.
- Total Funds Budgeted for Strategies to Meet the Goals in the SPSA: This amount is the total of the proposed expenditures from all sources of funds associated with the strategies/activities reflected in the SPSA. To the extent strategies/activities and/or proposed expenditures are listed in the SPSA under more than one goal, the expenditures should be counted only once.

A school receiving federal funds for CSI should complete the Budget Summary as follows:

- Total Federal Funds Provided to the School from the LEA for CSI: This amount is the total amount of funding provided to the school from the LEA.

[NOTE: Federal funds for CSI shall not be used in schools eligible for TSI or ATSI. In addition, funds for CSI shall not be used to hire additional permanent staff.]

Appendix A: Plan Requirements

Schoolwide Program Requirements

This School Plan for Student Achievement (SPSA) template meets the requirements of a schoolwide program plan. The requirements below are for planning reference.

A school that operates a schoolwide program and receives funds allocated through the ConApp is required to develop a SPSA. The SPSA, including proposed expenditures of funds allocated to the school through the ConApp, must be reviewed annually and updated by the SSC. The content of a SPSA must be aligned with school goals for improving student achievement.

Requirements for Development of the Plan

- I. The development of the SPSA shall include both of the following actions:
 - A. Administration of a comprehensive needs assessment that forms the basis of the school's goals contained in the SPSA.
 1. The comprehensive needs assessment of the entire school shall:
 - a. Include an analysis of verifiable state data, consistent with all state priorities as noted in Sections 52060 and 52066, and informed by all indicators described in Section 1111(c)(4)(B) of the federal Every Student Succeeds Act, including pupil performance against state-determined long-term goals. The school may include data voluntarily developed by districts to measure pupil outcomes (described in the Identified Need); and
 - b. Be based on academic achievement information about all students in the school, including all groups under §200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under §200.1 to—
 - i. Help the school understand the subjects and skills for which teaching and learning need to be improved; and
 - ii. Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and
 - iii. Assess the needs of the school relative to each of the components of the schoolwide program under §200.28.
 - iv. Develop the comprehensive needs assessment with the participation of individuals who will carry out the schoolwide program plan.
 - v. Document how it conducted the needs assessment, the results it obtained, and the conclusions it drew from those results.
 - B. Identification of the process for evaluating and monitoring the implementation of the SPSA and progress towards accomplishing the goals set forth in the SPSA (described in the Expected Annual Measurable Outcomes and Annual Review and Update).

Requirements for the Plan

- II. The SPSA shall include the following:
 - A. Goals set to improve pupil outcomes, including addressing the needs of student groups as identified through the needs assessment.

- B. Evidence-based strategies, actions, or services (described in Strategies and Activities)
1. A description of the strategies that the school will be implementing to address school needs, including a description of how such strategies will--
 - a. provide opportunities for all children including each of the subgroups of students to meet the challenging state academic standards
 - b. use methods and instructional strategies that:
 - i. strengthen the academic program in the school,
 - ii. increase the amount and quality of learning time, and
 - iii. provide an enriched and accelerated curriculum, which may include programs, activities, and courses necessary to provide a well-rounded education.
 - c. Address the needs of all children in the school, but particularly the needs of those at risk of not meeting the challenging State academic standards, so that all students demonstrate at least proficiency on the State's academic standards through activities which may include:
 - i. strategies to improve students' skills outside the academic subject areas;
 - ii. preparation for and awareness of opportunities for postsecondary education and the workforce;
 - iii. implementation of a schoolwide tiered model to prevent and address problem behavior;
 - iv. professional development and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data; and
 - v. strategies for assisting preschool children in the transition from early childhood education programs to local elementary school programs.
- C. Proposed expenditures, based on the projected resource allocation from the governing board or body of the local educational agency (may include funds allocated via the ConApp, federal funds for CSI, any other state or local funds allocated to the school), to address the findings of the needs assessment consistent with the state priorities, including identifying resource inequities, which may include a review of the LEAs budgeting, it's LCAP, and school-level budgeting, if applicable (described in Proposed Expenditures and Budget Summary). Employees of the schoolwide program may be deemed funded by a single cost objective.
- D. A description of how the school will determine if school needs have been met (described in the Expected Annual Measurable Outcomes and the Annual Review and Update).
1. Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;
 2. Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and
 3. Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

- E. A description of how the school will ensure parental involvement in the planning, review, and improvement of the schoolwide program plan (described in Educational Partner Involvement and/or Strategies/Activities).
- F. A description of the activities the school will include to ensure that students who experience difficulty attaining proficient or advanced levels of academic achievement standards will be provided with effective, timely additional support, including measures to
 - 1. Ensure that those students' difficulties are identified on a timely basis; and
 - 2. Provide sufficient information on which to base effective assistance to those students.
- G. For an elementary school, a description of how the school will assist preschool students in the successful transition from early childhood programs to the school.
- H. A description of how the school will use resources to carry out these components (described in the Proposed Expenditures for Strategies/Activities).
- I. A description of any other activities and objectives as established by the SSC (described in the Strategies/Activities).

Appendix B:

Plan Requirements for School to Meet Federal School Improvement Planning Requirements

For questions or technical assistance related to meeting Federal School Improvement Planning Requirements, please contact the CDE's School Improvement and Support Office at SISO@cde.ca.gov.

Comprehensive Support and Improvement

The LEA shall partner with stakeholders (including principals and other school leaders, teachers, and parents) to locally develop and implement the CSI plan for the school to improve student outcomes, and specifically address the metrics that led to eligibility for CSI (Educational Partner Involvement).

The CSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable);
2. Include evidence-based interventions (Strategies/Activities, Annual Review and Update, as applicable) (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" at <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>);
3. Be based on a school-level needs assessment (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
4. Identify resource inequities, which may include a review of LEA- and school-level budgeting, to be addressed through implementation of the CSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities; and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(A), 1003(i), 1111(c)(4)(B), and 1111(d)(1) of the ESSA.

Targeted Support and Improvement

In partnership with stakeholders (including principals and other school leaders, teachers, and parents) the school shall develop and implement a school-level TSI plan to improve student outcomes for each subgroup of students that was the subject of identification (Educational Partner Involvement).

The TSI plan shall:

1. Be informed by all state indicators, including student performance against state-determined long-term goals (Goal, Identified Need, Expected Annual Measurable Outcomes, Annual Review and Update, as applicable); and
2. Include evidence-based interventions (Planned Strategies/Activities, Annual Review and Update, as applicable). (For resources related to evidence-based interventions, see the U.S. Department of Education's "Using Evidence to Strengthen Education Investments" <https://www2.ed.gov/policy/elsec/leg/essa/guidanceuseseseinvestment.pdf>.)

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B) and 1111(d)(2) of the ESSA.

Additional Targeted Support and Improvement

A school identified for ATSI shall:

1. Identify resource inequities, which may include a review of LEA- and school-level budgeting, which will be addressed through implementation of its TSI plan (Goal, Identified Need, Expected Annual Measurable Outcomes, Planned Strategies/Activities, and Annual Review and Update, as applicable).

Authority Cited: Sections 1003(e)(1)(B), 1003(i), 1111(c)(4)(B), and 1111(d)(2)(c) of the ESSA.

Single School Districts and Charter Schools Identified for School Improvement

Single school districts (SSDs) or charter schools that are identified for CSI, TSI, or ATSI, shall develop a SPSA that addresses the applicable requirements above as a condition of receiving funds (EC Section 64001[a] as amended by Assembly Bill [AB] 716, effective January 1, 2019).

However, a SSD or a charter school may streamline the process by combining state and federal requirements into one document which may include the local control and accountability plan (LCAP) and all federal planning requirements, provided that the combined plan is able to demonstrate that the legal requirements for each of the plans is met (EC Section 52062[a] as amended by AB 716, effective January 1, 2019).

Planning requirements for single school districts and charter schools choosing to exercise this option are available in the LCAP Instructions.

Authority Cited: EC sections 52062(a) and 64001(a), both as amended by AB 716, effective January 1, 2019.
